

Iowa Lakes 75-Hour Nurse Assistant Training Opportunities – Fall 2009

Each of the 75-Hour Nurse Assistant training sessions are courses for those interested in becoming a Nurse Assistant. This is the federally mandated training course for nurse assistants to function in long term care facilities and to develop skills to care for the elderly. It is approved by and meets the guidelines established for Nurse Assistants by the Department of Inspections and Appeals. The student may wear street clothes for the classroom portion. A uniform, white shoes and a watch with a second hand will be required for the clinical portion of the class (approximately two weeks into the program). Tuition and testing cost information for credit and non-credit courses is listed. Tuition is due the first day of class unless billed to a third party/facility. Three hours of college credit is awarded for those successfully completing the class for credit.

Objectives:

- Recognize the aging process and changes which accompany aging
- Recognize physical and emotional needs of the geriatric patient in the clinical setting
- Display basic knowledge, skills and attitudes specific to geriatric care
- Identify means to assist resident in obtaining/maintaining optimal functional potential

You do not need to fill out this application if you are registering for credit. See instructions on this sheet for downloading the college credit application.
