World Percussion Convocation

JOEY GULIZIA, percussion specialist who has been performing since childhood, has an extensive collection of traditional, electric, exotic and world percussion instruments from Cuba, Brazil, Africa, Trinidad, Latin America and other countries. Some of these instruments include congas, bongos, gourds, whistles, didgeridus, pandeiro, agogo bells, steel drums, African talking drums, and djembe drums. As a percussion specialist he is sought after for radio and television jingles and commercials.

Joey has toured this past year in Austria, Switzerland, and the Czech Republic. He also tours with Mannheim Steamroller and performs on the annual "Gulizia Brothers Jazz Cruise."

Joey and his brother, Tony Gulizia, keyboard, have been traveling to schools for years and teaching the elements of jazz and world music. As exciting music educators and performers, their musical versatility puts them in the middle of symphony orchestras, artists-in-residence in a seven-state area, conducting clinics, making commercial recordings and performing across the United States and abroad.

Joey will be featured at the November Convocations. The first performance will be Tuesday, November 1 at 10 a.m. on the Emmetsburg Campus. The second performance will be Wednesday, November 2 at 9 a.m. on the Estherville Campus. Joey will be accompanied by his brother, Tony, on keyboards, and bassist Andy Hall. The public is invited to attend these free performances.

The trio will also perform at the Jazz Festival Concert on Wednesday, November 2 at the Pearson Lakes Art Center at 7:30 p.m.. Tickets can be reserved by calling Jan at 712-362-8345. Tickets are \$10 adults and \$5 students.

Alumni and Friends Pep Band will gather Sat., Oct. 29. There is only 1 alumni game. The game starts at 3. We'll meet at 1:30 in the band room, to get organized. What do you think? **Let's do it!** I'd love to have you back! The more the merrier!!!

Please email me (cayres@iowalakes.edu) to let me know you're planning to play so I have enough folders ready:. Bring your friends and family, too.

If your lips are completely out of shape, you can play a kazoo, a tambourine, cowbell, or a noise maker! It should be a great time.

(I have ordered 25 kazoos for anyone who doesn't think their chops are up to playing at all...or if your chops get too tired or if you just want to sing along with us!)

NATIONAL
arts&humanities
MONTH

Every day we celebrate the arts, but October is the month to commemorate the arts in a big way. It is **National Arts and Humanities Month** - the largest annual celebration for the arts and humanities in the nation.

National Arts and Humanities (NAHM) is a coast-to-coast collective recognition of the importance of culture in America. It is designed to encourage all Americans to explore new facets of the arts and humanities in their lives, and to begin a lifelong habit of active participation in the arts and humanities.
