Do you want to go to college to improve quality in your program?

You may be eligible to receive a scholarship if you:

- work in a regulated preschool, child care center, or home program for at least 30 hours per week (or full time for the hours your preschool offers programming)
- have worked with children birth to age 5 in your current program for at least 3 months
- are working toward an early childhood degree, credential, or endorsement program at an Iowa college (or would like to be)
- have the support of your employer (if applicable).

Do you want to save an average of $2000/year toward your education at a community college or $4000/year at a university?

You should sign a 12 month contract with T.E.A.C.H. and commit to staying with a program that supports you.
